Windshield Warranty by Henderson Glass

When you purchase our 20/20 Windshield warranty it will protect your windshield against accidental breakage for 20 months or 20,000 miles after we replace it. If you get a chip, we'll fix it. If your new windshield gets broken, we'll replace it – at no cost to you!

The 20/20 warranty must be applied to your order at time of purchase – look for the white sticker on the back of your receipt.

This program provides a replacement or repaired windshield if the qualifying windshield should become damaged within the warranty period of 20 months or 20,000 miles from the warranted date of replacement. Windshields may only be installed in private passenger vehicles (cars and light duty trucks) under this program. Commercial vehicles are not eligible for this program.

1. Windshield replacements in insurance and retail orders are allowed under this program. Fleet and Wholesale accounts are not eligible.
2. Customers may opt to use current deductible discounts that may be offered instead of this program.
3. Glass must be in stock at the Henderson store location. No special order or dealer parts will be eligible.
4. The warranty replacement applies only to the original windshield installed by Henderson Glass.
5. Multiple Vision Clear repairs may be performed.
6. A Henderson Glass location must complete all warranty replacements under this program.
